DONATION HEIFER

100% of proceeds give back

Commercial bred heifer from the RA x GMAR program

Every dollar from this heifer goes to two Montana nonprofits. **Reach Inc.** (Bozeman, since 1974) helps about 100 adults with disabilities live, work and take part in their communities through residential, supported living, employment and transportation services. **Yellowstone Boys and Girls Ranch** (since 1957) gives at-risk youth hands-on experience on its 410-acre working ranch, with vo-ag classes in livestock, horsemanship, welding, woodworking and small engine repair.

Thank you to every bidder who makes this possible!
